Research and Advice Centre - News

We have a large collection of books that are languishing on our shelves and we are now keen to move them on to members who can use them. To that end I have drawn up the first list of and they are available for collection from the centre when we are open, or by post for which we have to ask for re-imbursement of postage and packing.

If you see any that you are interested in, please email and I will quote the costs. If you can collect from Lingfield please check with me to confirm our opening times.
